AFTERDISASTER® AWARDED GSA EMERGENCY SERVICES CONTRACT IN NEW ENGLAND

Greensboro, N.C. (June 20, 2017) The General Services Administration has awarded a 5 year Blanket Purchase Agreement (BPA) to AFTERDISASTER to service all federal/GSA buildings in New England's Region 1.

AFTERDISASTER is a woman-owned small business and is a NC Certified Historically Underutilized Business (HUB). They specialize in the provision of emergency and restoration services for water, fire, smoke and mold damage victims in governmental, commercial and institutional buildings. They provide catastrophic and large loss emergency services, remediation, and temporary power/climate controls to clients throughout the United States and the Caribbean. In addition to this new award, they hold BPAs for emergency and remediation services in GSA's Region 4 (Southeastern US) and at Langley-Eustis Joint Military Base.

Federal Contracts are awarded by the GSA only after careful review and confirmation of competitive and fair pricing, significant resources and capabilities, broad project management skills, superior past performance ratings, and successful completion of many projects of various sizes and scopes of work for the government and private sector.

AFTERDISASTER President, DeeAnna Burton, said *"Being awarded this most recent BPA is the result of 6 years of providing consistent, stellar service to our GSA and Governmental clients from our Large Loss Division and administrative staff. We look forward to continuing to serve the needs of the federal government and the General Services Administration"*.
