**AFTERDISASTER® ENGAGES DAVID RICHARDSON AS DIRECTOR OF GOVERNMENT PROGRAMS**

GREENSBORO, NC (June 1, 2017) - North Carolina based *AFTERDISASTER®* recently engaged David Richardson, of Sylvania, OH as their Director of Government Programs. David was previously the Director of Government Programs for Polygon (a Munters Company), one of the world's largest dehumidification and environmental control companies specializing in the restoration industry.

AFTERDISASTER is a woman-owned small business and is a NC Certified Historically Underutilized Business (HUB). David is coordinating their business and relationship development with all sectors of the federal, state and local governments in the United States and Caribbean.

*AFTERDISASTER®* specializes in the provision of emergency and restoration services for water, fire, smoke and mold damage victims in governmental, commercial and institutional buildings. They provide catastrophic and large loss emergency services, remediation, and temporary power/climate controls to clients throughout the United States and the Caribbean. Currently, they hold a federal schedule/contract for the provision of emergency services as well as the BPA (blanket purchase agreement) for the provision of all emergency and remediation services in all governmental buildings in GSA Region 4 (Southeast), in GSA Region 1 (New England), and at Langley Eustis Joint Military Base.

*AFTERDISASTER* President, DeeAnna Burton, said "*Mr. Richardson's addition to our team will be an instrumental step in our continued growth in the governmental contracting sector.*"
